THE ROMAN CATHOLIC Diocese of Helena

The Diocese of Helena will soon begin a new class of Deacons! If you are a man of the parish and might be interested in considering the Diaconate, please contact Father Gilbaugh. Here are some FAQ's from the USCCB about the diaconate...

Who is a Deacon?

A deacon is an ordained minister of the Catholic Church. There are three groups, or "orders," of ordained ministers in the Church: bishops, presbyters and deacons. Deacons are ordained as a sacramental sign to the Church and to the world of Christ, who came "to serve and not to be served." The entire Church is called by Christ to serve, and the deacon, in virtue of his sacramental ordination and through his various ministries, is to be a servant in a servant-Church.

What are these "various ministries" of the Deacon?

All ordained ministers in the Church are called to functions of Word, Sacrament, and Charity, but bishops, presbyters and deacons exercise these functions in various ways. As ministers of Word, deacons proclaim the Gospel, preach, and teach in the name of the Church. As ministers of Sacrament, deacons baptize, lead the faithful in prayer, witness marriages, and conduct wake and funeral services. As ministers of Charity, deacons are leaders in identifying the needs of others, then marshaling the Church's resources to meet those needs. Deacons are also dedicated to eliminating the injustices or inequities that cause such needs. But no matter what specific functions a deacon performs, they flow from his sacramental identity. In other words, it is not only WHAT a deacon does, but WHO a deacon is, that is important.

Is a Deacon ordained for the Parish or the Diocese?

Whenever a person is ordained, he is to serve the diocesan Church. Deacons are no different in this regard: they are assigned by the bishop to ministries for which the bishop perceives a great need, and for which the deacon may have special gifts or talents. Most often, this will be within a parish setting, just as most priests serve in a parish. Once assigned to the parish, the deacon and any other clergy assigned to the parish minister under the immediate supervision of the pastor. However, this assignment may be changed at the request of the deacon or the initiative of the bishop.

MONTANA CATHOLIC CONFERENCE COMMENTS ON U.S. SUPREME COURT RULING IN **DOBBS V. JACKSON WOMEN'S HEALTH ORGANIZATION**

Today the U.S. Supreme Court issued a historic opinion ending a tragic legacy of grave injustice ushered in almost 50 years ago with the court's 1973 decision in *Roe v. Wade*. Today's decision is the result of the prayers, sacrifices and advocacy of countless Americans from every walk of life. We join with them in gratitude for this moment and for their tireless work and witness over these past five decades.

This moment presents all of us, as Montanans, with an opportunity to commit to providing full legal protection of all unborn children and challenges us in our shared responsibility to ensure essential support is available for all pregnant and parenting mothers and their families. Consistent with our commitment to uphold the dignity of every human being, the Catholic Church in Montana is dedicated to generously providing for mothers in need, their children, those in poverty and all the vulnerable and marginalized.

The Roman Catholic Bishops of Montana share the position consistently articulated by Pope Francis, including during an address on May 22, that all human life is a gift from God and, as such, is always sacred and inviolable.

Founder of Project Rachel passes away

Vicki Thorn passed away April 20th at age 72. She is best known for founding Project Rachel in 1984. As a trained bereavement and trauma

counselor, she found more and more women coming for help after an abortion. She got a blessing and funding from the Archbishop of Milwaukee, WI, to start 'something' to help post-abortion women. The name **Project Rachel** was inspired by Jeremiah 31:15: '*Rachel weeps for her children...because they are no more.*' Over nearly 40 years Vicki trained tens of thousands of priests, deacons, and lay people worldwide "to understand the aftermath of abortion and its unique healing process." They mainly expected women, but male partners, parents, and even abortion clinic workers also sought healing. While acknowledging the gravity of abortion, Vicki emphasized the love and mercy of God. **"Double-down on compassion," she encouraged pro-lifers.**
