USCCB Statement on church teaching

The US bishops recently admonished members of Congress who invoked the teachings of the Catholic faith itself as justifying abortion, saying that such claims "grievously distort the faith." The bishops explained, "It is wrong and incoherent to claim that the taking of innocent human life at its most vulnerable stage can ever be consistent with the values of supporting the dignity and wellbeing of those in need."

What are First Friday Devotions?

From relevantradio.com:

A "First Friday" is the first Friday of the month and is often marked by special devotion to the Sacred Heart of Jesus since Jesus died for us and won our salvation on a Friday. Every Friday of the year, and not only the Fridays in Lent, is a special day of penance as stipulated in the Code of Canon Law: "The penitential days and times in the universal Church are every Friday of the whole year and the season of Lent" (Canon 1250).

St. Margaret Mary Alacoque (1647-1690) reported visions of Jesus Christ directing her to promote devotion to the Sacred Heart of Jesus on nine consecutive First Fridays in reparation for sins and in order to show love to Jesus. In return for this act of devotion, which usually includes Mass, Communion, confession and even an hour of Eucharistic Adoration on the eve of the first Friday of the month, our blessed Savior reputedly promised St. Margaret Mary the following blessings:

"In the excess of the mercy of my Heart, I promise you that my all powerful love will grant to all those who will receive Communion on the First Fridays, for nine consecutive months, the grace of final repentance: they will not die in my displeasure, nor without receiving the sacraments; and my Heart will be their secure refuge in that last hour."
